

## Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson, we will be talking about how we can make friends and stop ourselves feeling lonely.

The value of the month is caring. We will be learning what it means to be caring, looking for the value in the stories we read and celebrating when we demonstrate caring in class.

## Expressive Arts & Design

This week we will be using our creative skills to create a fashion accessory using recycled materials.

**Literacy:** In whole class reading this week we will be reading **'The Messy Magpie.'** As we read the text we will look out for familiar phonemes, digraphs, trigraphs and tricky words that we have learnt so far. We will talk about the message shared in the story and listen out for any recycling vocabulary that we have learnt/talked about this week.

## Physical Development

This fortnight we will be learning to balance a bean bag using different parts of our body. We will also be practising our throwing and catching skills.

## Communication, Language and Phonics

In phonics this week, we will be reading phase 4 CCVCC, CCCVC and CCCVCC words.

We will learn the tricky words; were, here, little, says.

# RECEPTION LEARNING

## Maths

This week we will be recapping some of the key number concepts we have learnt, including doubles, number pairs to make 5, subitising amounts to 6 and ordering and talking about numbers to 10.

## Understanding the World:

This week we will be talking about recycling, why it is important and how we can recycle in school and at home.

We will talk about other ways in which we can care for the world e.g. by not wasting water, switching lights off and picking up our rubbish.

Key vocabulary we will be use recycle, reduce, reuse, compost, landfill, rubbish, waste, germinate, root, stem, leaf.

Parent/Child Talking Point: **What do you recycle?**
