

Personal, Social and Emotional Development (PSED)

The children have really enjoyed our first PSHE 'Jigsaw Jenie' sessions. We have been practicing sitting in a circle and passing Jigsaw Jenie around. We will continue this week. We will also be taking it in turn to share what some of our favourite things are, for example animals, games and colours.

Expressive Arts and Design (EAD)

This week we will be colour mixing and having fun rolling conkers and leaf printing in the colours we have made. We will also be making Play-Doh hedgehogs and painting and drawing them.

21.10.24

Communication and Language (CL)

We will continue to talk about seasons and learning about autumn. We will continue to use our autumn vocabulary. We will be talking about hibernation and what that means for animals.

We will learn a new song about hedgehogs and facts about them too.

Literacy

On Wednesday 23rd October please don't forget we will be celebrating our Nursery Rhyme Day. Children are invited to come to school dressed as a character from a nursery rhyme. We will be singing, playing games as well as icing and decorating biscuits.

Nursery Learning *Autumn*

Maths

This week we will have fun picking up conkers with tweezers and putting the right number into the numbered boxes 0 to 5.

Physical Development (PD)

We will be continuing to develop our fine and gross motor skills by accessing the indoor and outdoor learning environments.

Understanding the World (UW)

We will continue to talk about autumn and we will also be learning all about hedgehogs and how they prepare for hibernation, by eating and finding a cosy place to sleep. Please continue to talk to your child about what they have learnt and what they notice when out for walks. Please also continue to bring in leaves, conkers and acorns that they find as we can add these to our display.
