

**Personal, Social and Emotional Development (PSED)**

We will be focusing on what makes a good friend and how we can all be good friends this week to celebrate friendship week. We will make friendship bracelets for each other and make cards and stickers for our friends.

**Expressive Arts and Design (EAD)**

We will be making a space station in our role play area so that we can be astronauts flying to the moon! We will also be making friendship bracelets, cards and stickers for our friends for friendship week.

**Communication and Language (CL)**

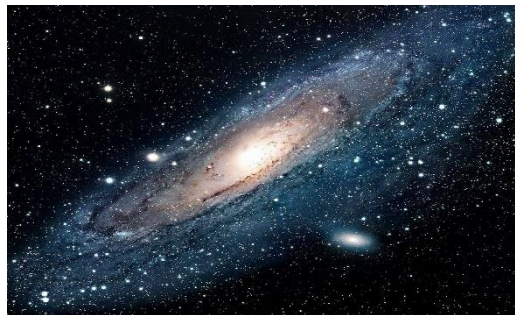

Our word of the week will be 'amazing'. We will encourage children to use this word as we listen to and enjoy the story *Amazing* by Steve Antony. We will talk about what is amazing about ourselves and our friends!

We will also learn lots of new words in relation to our topic, such as space, earth, sun, moon, planets, astronauts.

11.11.24

**Nursery Learning**

***The Night Sky and Friendship Week***

**Literacy**

Our sound of the week will be 'a' and we will play games to help the children gain phonemic awareness and build the children's listening and attention skills. At home or when walking home from school please talk about what you can see that starts with this sound, you could even play 'I spy'!

**Physical Development (PD)**

The children will be developing their fine motor skills by practicing their pencil grip to make cards and stickers for their friends.

**Maths**

We will be continuing to sing number songs and this week to go with our space theme, we will be counting backwards as we pretend to be a rocket taking off!

**Understanding the World (UW)**

We will be talking about the night sky and that we live on planet earth, that there is a sun, moon and stars. We will be thinking about how we could travel to the moon and what the moon might be like.
