

Personal Social Emotional Development

PSED

We will be learning about what it means to be a Problem-Solving Ant. We are learning to:

- Try different methods and talk about it.
- Ask many questions and explain our thinking.
- Explore how things link together.

This week we will also be talking about how we can keep safe at school, at home and as we walk along the road.

In our Jenie Jigsaw lesson this week, we will be understanding that being different makes us all special.

Expressive Arts & Design

Over the next fortnight, we will be learning songs for our Christmas Nativity. We will be using our creative skills to make bright creations that could be seen at night.

18.11.24

RECEPTION LEARNING

Communication, Language and Phonics

We will continue to develop our listening skills and learn new phonemes z, qu and ch.

The tricky words for the week are: **go, no, to, into**

Physical Development

This week we will be starting gym. We will be learning how to use our bodies to make star and tuck shapes.

Understanding of the World

We will be investigating reflective materials as we talk about road safety and night-time.

We will be learning about the importance of 'being bright' and 'being seen' when crossing the road, especially when it is dark.

Literacy

During our shared reading this week, we will read *Super Cat's Road Safety* story. We will be talking about the purpose of full stops, question marks and exclamation marks and how we might change the intonation and expression in our voice when we read a sentence containing one of these punctuation marks.

Please do not forget to return this week's library book on Monday 25th November 2024

Maths

We will be consolidating our learning about counting. We will recognise that when we count it is the last number that tells us how many there are in total. We will also be exploring ways to make numbers up to 5, using our fingers and the Hungarian number pattern.

Talking point: How can we keep safe?
