

Personal Social Emotional Development

In our Jenie Jigsaw lesson this week we will be learning that we all have the same rights and responsibilities to ourselves and each other.

Literacy

During our shared reading this week, we will read *The Little Red Hen* and we will focus on retelling the story. We will also enjoy a range of stories from different cultures and compare the similarities and differences between them. As you read your child's library book to them, please encourage them to find any graphemes that we have learnt thus far (you will find them in the Word and Sound Book.) You can also challenge your child to select some words from their library book and clap and count the syllables in the word.

Please do not forget to return all books on a Monday.

As we observe Black History Month, we will enjoy and discuss a story each week which celebrates diversity.

This week we will share the story: *Look up!* by Nathan Bryon and illustrated by Dapo Adeola

Expressive Arts & Design

This week we will be using our creative skills to make props for our role play and for the story *The Little Red Hen*.

Communication, Language and Phonics

We will continue to develop our listening skills and learn the new phonemes ck, e, u and r. We will be learning the digraph ck. A digraph is two letters that make one sound. We will also learn the tricky word - I

Physical Development

We will continue to explore our outdoor area, learning to move and negotiate space around us and share with others. We will be having our first woodland session where we will learn the rules of basecamp.

13.10.25

RECEPTION LEARNING

Maths

This week we will explore how numbers can be composed of 1's and, from this, begin to investigate the composition of 3 and 4. For example seeing that 3 can be composed of 2 and 1.

Understanding of the World

This week we will be talking about some of the changes that occur to living things during autumn. In our woodland session we will be looking for signs of autumn using our senses. We will also be finding out about harvest and what happens during harvest time.
