

Personal, Social and Emotional Development (PSED)

We will be introducing the children to our PSHE 'Jigsaw Jenie' sessions. We will practice sitting in a circle, and we will learn that when we pass Jenie round, it is our turn to talk when we are holding Jenie. We will also learn about being respectful and that we listen to our friends when it is their turn to hold Jenie and speak.

Expressive Arts and Design (EAD)

We will be making firework pictures using a salad spinner and observing what happens to the paint when we spin it. We will also be printing with paint using toilet roll tubes and apples.

04.11.25

Communication and Language (CL)

We will encourage children to recall and relive past experiences when looking at past fireworks displays over London. As part of this we will be introducing descriptive words to describe what they can hear and see, such as sparkle, twinkling, bright, beautiful, zoom, whizz, bang, pop etc.

Physical Development (PD)

The children will be developing their fine motor skills when hammering golf tees into our large pumpkins. This will take a lot of co-ordination too!

Literacy

We will be learning a firework number rhyme, please see this attached if you would like to sing it at home.

Nursery Learning

Fireworks

Maths

We will be looking at patterns and recognising patterns in our environment. We will make our own firework patterns.

Understanding the World (UW)

We will be talking about fireworks, observing what we can see, hear and smell. We will be talking about fireworks safety. As part of this we will be watching fireworks displays on the interactive white board and asking the children about their experiences of fireworks.
