

Literacy

This week we will be looking at information books about spring and learning the names of baby animals that are born at this time of year - lamb, duckling, chick, kitten, calf, cygnet etc.

We will also be learning other spring vocabulary such as bud, blossom, daffodils, flowers, hatch, egg, shell, birth, born.

Expressive Arts and Design (EAD)

This week the children will be painting spring pictures from observation. They will be encouraged to look closely at tulips, daffodils, buds and other signs of spring before they paint and draw, noticing colours, shapes and textures.

We will also be using junk modelling to make Easter baskets.

Communication and Language (CL)

We will be talking about spring. Please encourage your child to notice signs of spring on their way to and from school.

Nursery Learning

Easter/ Spring

Understanding of the World (UW)

This week we will be looking for signs of spring as we go on a spring walk. We will be looking for buds on trees, looking at the different types of spring flowers such as daffodils and looking at blossom on the trees.

We will be beginning to think about the life cycle of a chick/lamb and learning about baby animals born at this time of year.

We will also be talking about the celebration of Easter.

Personal, Social and Emotional Development (PSED)

During circle time this week we will consolidate the 'dreams and goals' topic and talk about how we feel proud when we achieve a goal.

Maths

This week we will provide children with a variety of different opportunities to explore numbers and counting. We will be focusing on ordering numbers and going on an Easter egg number hunt. Please continue to draw children's attention to numbers in the environment.

Physical Development

We will be practicing our fine motor skills by using paint brushes to paint our spring pictures. We will also use our large outdoor chalks to create spring pictures on the ground outside.
