

## Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson we will learn that families are special groups where people care for and support one another. We will identify members of our own families and understand the different roles people have within it.

## Expressive Arts & Design

This week we will be using natural materials to make paintbrushes. We will use these to paint outside using mud.

## Literacy

This week we will be using our photographs to create a timeline and use our phonetical knowledge to label the pictures.

## Communication, Language and Phonics

In phonics we will be reading CVCC (e.g. melt) and CCVC words (plug) and learning tricky words; some, come, love, do. We will also practise reading and writing sentences.

**20.04.2026**

# RECEPTION LEARNING

## Physical Development

This week we will be continuing to strengthen our hand and finger muscles doing cutting skills and other activities. We will be practising our formation of letters 'l' and 't', and numbers to 5.

## Maths

This week, we will develop our understanding of numbers up to 7 by exploring how they can be made and broken into smaller parts. Through games and practical activities, we will learn to recognise different ways of making 7 and find missing parts.

Parent/Child Talking  
Point: How have  
you changed?

## Understanding the World

This week we will be exploring historical artefacts and discussing how they have changed over time, e.g. a dial telephone vs a mobile phone.

We will also be looking at photographs of ourselves, discussing how we have changed and what we can do now that we couldn't when we were younger.
