

### **Literacy**

This week we will be looking at information books about vehicles and different forms of transport. We will be reading some non-fiction books about vehicles to learn some facts. We will also read some fiction books such as *You Can't Take an Elephant on the Bus*, *Duck in the Truck* and *Christopher's Bicycle*.

### **Expressive Arts and Design (EAD)**

This week the children will painting vehicles of their choice. We will also be singing songs about different forms of transport.

### **Communication and Language (CL)**

We will be starting our transport topic this week and learning about all the different types of wheeled vehicles. We will be encouraging the children to talk about their experiences of the different vehicles and answer questions about where they went, how they got there and what they enjoyed about it.

**05.05.26**

## **Nursery Learning**

## **Transport Week 1**

## **Wheeled vehicles**

### **Understanding of the World (UW)**

As we look at different forms of transport, we will also look at old vehicles from the past as well as vehicles from the present. We will talk about what is similar and what is different between the vehicles.

### **Personal, Social and Emotional Development (PSED)**

During circle time this week we will talk about what the word 'healthy' means and that some foods are healthier than others.

### **Maths**

This week we will provide children with a variety of different opportunities to explore numbers and counting.

### **Physical Development**

We will be practicing our fine motor skills by painting different forms of transport.
