

Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson, we will be identifying feelings and talk about what might make us angry. We will be thinking about strategies that help us to calm down/stay calm.

Communication, Language and Phonics

In phonics this week we will be reviewing phase 3 graphemes and revising all the tricky words that we have learned in reception.

We will be using our phonics to decode and chunk longer words.

Maths

This week in maths, we will be subitising amounts to 6 and using our knowledge of subitising to create groups of 6 e.g. 5 and 1.

We will be applying our knowledge of number blocks to help us recall doubles and we will be using our fingers to help us represent each double to 10.

Expressive Arts & Design

With our focus being on maths this week, we will be using our creative skills to make maths games. We will be thinking about what tools to use, how to join materials and what colours to use.

RECEPTION LEARNING

Parent/Child Talking Point: **What do you know about numbers?**

Literacy

In literacy this week we will be reading the book *One Ted Falls Out of Bed* by Julia Donaldson and Anna Currey.

We will be focusing on the counting pattern throughout the book as well as looking at rhyming words and chunking longer words to read them.

Physical Development

This week we will be looking at different ways to move a ball with control e.g. using our hands or feet, dribbling, passing, throwing and catching.

Understanding the World

This week we will be reading counting stories from around the world as we celebrate National Numeracy Day.

You might like to see what stories you have at home that originate from a different country. Can you find out anything about that country?
