

Literacy

We will enjoy a range of fiction books about minibeasts. We will also read some non-fiction books to find information about any minibeasts we discover around the school.

Expressive Arts and Design (EAD)

As well as making the junk modelling minibeasts, the children will also be able to draw minibeasts on giant paper on the carpet.

Communication and Language (CL)

We will be learning about different minibeasts such as woodlice, beetles, spiders, ants, earwigs, snails, dragonfly etc. We will be focusing on vocabulary to describe them: wings, antennae, shell, shiny, hard, wiggly, slimy, hairy, tiny etc. We also will talk about how they move.

Nursery Learning

Minibeasts

Understanding of the World (UW)

We will be learning about different types of minibeasts and their habitats. We will learn about the natural habitat of the minibeasts when exploring the areas around the school. We will learn to show care and concern for living things and the environment.

Personal, Social and Emotional Development (PSED)

This week during circle time we are going to be starting our new topic of 'relationships.' We will be talking about families and thinking about who is in our family.

Maths

We will be focusing on counting the different features on the minibeasts, and asking questions such as how many legs does it have, how many wings, etc.

Physical Development (PD)

The children will be making minibeasts out of junk modelling and decorating them.
