

Expressive Arts and Design (EAD)

We will be doing lots of activities around our painting of the week. We will be using paints to paint our own water lily picture. We will also be using pastels to explore blending colours and crayons to create a wax resist picture. We will also be using junk modelling to build our own bridges.

Communication and Language (CL)

The children will be encouraged to talk about Monet's picture and how it makes them feel. We will talk about what we think we might find if we looked in the water and who might cross the bridge.

Understanding of the World (UW)

This week is 'Take One Picture' week and we will be doing lots of activities around our chosen school picture, which is Claude Monet's 'Water Lilies.'

We will be learning about Claude Monet and who he was and what he was famous for. We will be learning some facts about him. We will be looking at the other famous pictures he painted.

We will learn about different types of bridges and look at different bridges around the world.

We will also be visiting our school pond and comparing our pond to Monet's picture.

22.06.26

Nursery Learning

Take One Picture Week

Physical Development

The children will continue to develop their fine motor skills by using lots of different media to create different paintings and pictures.

Personal, Social and Emotional Development (PSED)

This week we will talk about how we all change, that we all start as babies and grow into children and then adults.

To learn about sun safety.

Maths

We will be exploring 3D shapes and learning about some of their properties. We will be looking at cubes, spheres, cylinders, cuboids, cones and pyramids. We will talk about the shapes and see what happens when we combine shapes to make new ones.
