

Personal Social Emotional Development

This week in our Jigsaw Jeanie we will be talking about lifecycles and how we grow from babies to adults. We will discuss some of the ways we have changed since we were babies and how we might change as we grow up.

To learn about sun safety.

Literacy

This week, we'll be diving into stories and poems all about **summer**! We'll explore exciting new vocabulary related to summer weather, holidays, and the natural world. We'll also read a **non-fiction book** to discover fascinating facts about the season. As part of our learning, we'll discuss the importance of **sun safety** and compare the unique features of **all four seasons**.

Expressive Arts & Design

This week we will be taking part in 'Take One Picture' week. We will be looking at the picture, '**Bridge Over a Pond of Water Lilies**' by Claude Monet. Using our artistic and design skills, we will create our own interpretations of the painting.

RECEPTION LEARNING

Parent/Child Talking Point:

What do you know about Summer?

Communication, Language and Phonics

In phonics we will be learning to read and write some phase 4 root words with suffixes; ing, ed (t), ed (id), ed (d). Some examples include; sleeping, splashed, crowded and stormed.

Can you have a go at writing some of these words at home?

We will continue to embed the tricky words we have learnt this year.

Physical Development

This week, during our outdoor games session, we will continue to refine our **throwing, kicking, pushing and catching techniques** by focusing on **accuracy and control** as we aim at a variety of targets. We will be building on our coordination, concentration, and confidence in our physical skills.

Maths

This week we will be using rekenreks for the first time. A rekenrek is similar to an abacus, where we use beads to represent different amounts. We will be subitising amounts from number cards and then representing

Understanding the World

This week we will be learning about the season of summer. We will be comparing summer to the other seasons and we will discuss some of the changes we see in summer time.
