

Join us next term at Holmesdale Community Infant School Wednesday & Thursday afternoons

Get ready for an amazing arts and crafts adventure! Children will have the opportunity to work with a variety of materials, such as watercolour, pencils, clay, ink, charcoal and many more!

They will experiment with different techniques, building on existing skills and learning new ones while studying some of the greatest artists in history. Best of all, they'll build confidence, have a blast and let their imaginations run wild!
