

Personal, Social and Emotional Development (PSED)

We will be learning about what it means to be a 'responsible penguin' learner: 

- I can be in charge of my own learning.
- I can listen carefully to others.
- I know that good choices make me a better learner.
- I can work well on my own, as well as with a partner or in a team.
- I can show respect to myself, our environment and others.

In our Jigsaw lesson this week, we will discuss how it feels to belong and that we are similar and different.

Expressive Arts and Design

This week, we'll be exploring what makes each of us super! Using our imagination and creative skills, we'll design and build our very own wooden superhero characters.

Communication and Language

We will continue to talk about our 'superpowers' and what makes us special - retelling the story of *Super Milly and the Super School Day*. We will have a go at writing a speech bubble. We will enjoy our own 'Super School Day' dressed as superheroes on Friday 2nd October and share the story *Perfectly Norman* by Oliver Jeffers.

Physical Development

We will explore our indoor and outdoor learning environments. We will complete a 'superhero' obstacle course to help develop our gross motor skills and core strength.

Literacy

We will be enjoying our Little Wandle phonics session as we continue to learn our letters and sounds.

This week we will learn phonemes:

i,n,m,d

28.09.26

RECEPTION LEARNING

Maths

In Maths, we will be learning through lots of fun and practical activities. We will play maths games, enjoy number rhymes and sing songs to help develop confidence with numbers and counting.

Understanding the World

This week we will continue to develop our independence by learning how to use our class cameras or tablets to record our own learning.

Learning question to discuss at home;

What makes you super?
