

### Personal, Social and Emotional Development

The children have been settling in really well and we will continue to support them exploring the new environment and learning the new routines. We will also continue to encourage them to make new friends and to form good relationships.

### Literacy

The children have really enjoyed singing our nursery rhymes and we will continue with this this week. We will learn 'Baa, Baa Black Sheep', 'Jack and Jill' and 'Here We Go Round the Mulberry Bush'. We have attached these Nursery Rhymes for you to use at home.

### Understanding the World

We will continue talking about our 'All About Me' sheets and our families. Thank you to those that have already brought these sheets back. If you haven't returned these yet, please do so as we are making them into a class book. Thank you also to those that have returned learning journeys. We would be grateful if you could return these as we are starting to put the children's learning in them.

### Physical Development

We will continue to explore the outdoor environment safely and learning to put helmets on and to use the bikes.

### Nursery Learning

25th-29th September 2023

Our theme will be

*Nursery Rhymes*

### Communication and Language

We are continuing to learn how to listen to an adult and one another in the Nursery. We are learning the whole school 'Give Me Five' rules which reminds us how to be good listeners on the carpet. We are also learning a song on the carpet called 'The Listening Song' to engage the children and get them ready to listen. They also know when the triangle rings in class it is time to stop what they are doing, listen and show their 'twinkly hands'. This week we will also play some listening and attention games together, further developing their listening skills.

### Mathematics

We will continue counting and using number names in our play and whilst singing our songs. We will be learning number rhymes such as '10 Fat Sausages' and '5 Currant Buns'.

### Expressive Arts and Design

The children have been enjoying the role play area. We will continue to enjoy our 'home corner' and also sing our nursery rhymes and new songs.
