

GET MATHEMATICAL

Data

The Three Bears had small, medium and large sized bowls. Can you find items and order them from smallest to largest? You could do it with any toys or items.

Can you write your number bonds to 10 and the related facts to 20 and 100.

i.e. if I know that $6 + 4 = 10$ then I know that $16 + 4 = 20$. I also know that $60 + 40 = 100$.

GET RESEARCHING

Rapunzel was locked in a tall tower.

The story originates from Germany. Find out about castles in Europe. Can you draw and label the castles?

GET CREATIVE

Choose a fairy tale character and make its habitat.

You could do this on a piece of paper, in a shoe box or any way you like.

What does it look like? What did you use?

GET CRAFTY

Make paper puppets from a fairy tale and cut them out. Stick them onto lolly sticks or even pencils and put on a puppet show.

Can you draw yourself as a fairy tale character?

DIP AND DO – A Twist in the Tale

GET WRITING

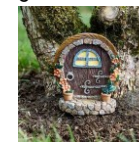

Read the story of the Three Little Pigs.

Can you retell the story using different animals like penguins or sharks? Which animal would you have instead of a wolf?

GET EXPLORING

Go for a walk or into your garden to collect natural materials. Use them to create a fairytale woodland.

GET EXERCISING

How does a fairy tale character move?

Can you film yourself moving like an giant or the Gingerbread man?

Can you make up a dance and teach it to your friends at school. E.g. Three Little Pigs.

What moves could you do? Low, high, new pathways, travel in different directions, shapes.

How do you feel when you're exercising?

Our topic for this half term is 'A Twist In the Tale'. With your child, dip into the activities on this sheet, you don't have to do them all. Your child can present their learning in any way that they would like (be imaginative!). Please bring it in on Monday 16th November to share with your class.
