

Personal, Social and Emotional Development

We will be learning about the next learning behaviour: 'Playing and exploring'. In our learning we will learn to:

- Be curious
- Ask questions
- Have courage to try new things and take a risk
- Know that we can learn anywhere!

In our Jenie Jigsaw lesson this week, we will be learning why it is good to be kind and to use gentle hands.

Expressive, Arts and Design

This week we will be using our cutting, sticking and creative skills to create a model using recycled packaging.

Communication and Language and Phonics

We will continue to develop our listening skills and learn new phonemes **ck, e, u, r**. We will be learning the new tricky word: **I**.

Physical Development

Over the next fortnight we will be having our first Woodland Explorer session. In the woodland we will learn how move around safely, listen to instructions and use positional language. We will also begin 'Funky Fingers' sessions where we will enjoy a variety of activities which will help us to develop our gross and fine motor skills.

9.10.23

RECEPTION LEARNING

Literacy

We will select a new library book. During our shared reading this week, we will be focusing on rhyming words. As you read your child's library book to them, please discuss any new vocabulary and model reading from left to right by using your finger. Pick a few short words from your library book and see if you can think of any rhyming words.

As we observe Black History month, we will enjoy and discuss a story each week which celebrates diversity. This week we will share the story: 'So Much' by Trish Cooke.

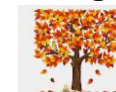

Please do not forget to return this week's library book on Monday 9th October 2023.

Maths

In maths this week we will be learning to count how many objects are in a set using 1:1 correspondance and recognising that the last number that we count is the total number of objects (cardinality).

Understanding the World

This week we will be using our senses to explore autumn. We will look for signs of autumn around our school and investigate the autumnal objects that we have brought in from home.
