

Personal, Social and Emotional
Development

We are getting really good at listening to each other and waiting our turn to speak during our Jigsaw sessions. In our Jigsaw sessions this week we will be talking about how all families are different but how all families have similarities and differences with each other.

Communication and Language

We will be using our listening and attention skills and following instructions when going to the woodlands this week. We will be going on a Christmas treasure hunt looking for Christmas pictures and objects. The children will have to listen to instructions carefully and communicate with each other to find the treasure!

Literacy

We will be reading information books about Christmas and how people celebrate it all around the world. We will also be reading books with a Christmas theme, including books about Father Christmas. We will be practicing writing our names in cards.

Nursery Learning

4th December-15th

December 2023

Our theme is Christmas

Physical Development

We will be making a Christmas present using our fine motor skills - we hope you will like them! We will also be making Christmas wrapping paper by printing with sponges and paint.

Mathematics

We will be sorting and counting different Christmas objects. We will be counting the correct number of objects and matching it to the numeral.

Expressive Arts and Design

The children have been brilliant at learning the Christmas songs for our sing-along. We will be performing on Wednesday 6th December. We can't wait for you to see our performances!

Understanding the World

We will be learning about the celebration of Christmas all around the world. We will be learning about the nativity and what Christmas means to our different families.
