

Personal Social Emotional Development

This week we will be learning to understand the link between what we do now and the jobs we might like to do when we are older.

Expressive Arts & Design

We will be learning to create a representation of a person or object using paint.

Communication, Language and Phonics

We will continue to develop our listening skills and learn new phonemes **air** and **er**.

We will be learning the tricky words: **are, sure, pure**.

Literacy

During our whole class reading we will be enjoying the story *The Magic Paintbrush* by Julia Donaldson. We will be talking about the characters in the text, imagining what it would be like to own a magic paintbrush and consider what items we might like to paint if we owned a magic paintbrush.

What do you know about Lunar New Year?

RECEPTION LEARNING

Physical Development

During our Woodland Explorer session this week we will be working together to build a den for our group. We will learn how to pick up and/or carry sticks safely.

Maths

This week we will be learning to subitise increasingly complex arrangements with a focus on standard die arrangements 1 to 6.

You can support this learning at home by playing games with dice and encouraging children to recognise amounts without counting.

Understanding of the World

We will be learning about Lunar New Year and why/how it is celebrated by people all over the world.
