

Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson, we will be learning what a stranger is and what we should do if a stranger approaches us.

Communication, Language and Phonics

In phonics this week we will reading words that end in s but make the /z/ sound (chairs) and end in es but make the /iz/ (boxes) sound. We will be reviewing all tricky words from the autumn and spring term.

Expressive Arts & Design

This week we will be using our problem solving and creative skills to design and make a container for carrying our chocolate Easter egg home safely. Thank you PSA Easter Bunnies!

RECEPTION LEARNING

Literacy

In reading this week the focus will be on recognising phonemes/tricky words that we have learnt and practising our decoding and blending skills. In your library book this week, challenge yourself to see how many familiar phonemes/tricky words you can spot. Perhaps you could make a tally chart? What information can you remember about your library book?

Physical Development

This week we will continue to develop our gross and fine motor skills in our indoor and outdoor environments.

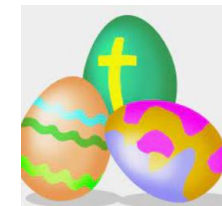

Maths

This week we will be composing and decomposing numbers whilst investigating the part/part, whole models.

Understanding the World

This week we will be learning about the Easter story. We will talk about what Easter means to Christians, what the symbols of Easter are e.g. eggs for new life, and how/if we celebrate Easter with our families.

Parent/Child Talking Point: Where does the Easter Bunny live? What does his house look like?
