

### Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson, we are talking about our families and what jobs we do in our homes.

### Expressive Arts & Design

This week we will be using our observational and sketching skills to draw spring flowers.

### Literacy

This week we are reading *The Tiny Seed* by Eric Carle. We will be exploring vocabulary and re-telling the story. We will write instructions on how to plant a seed.

### Communication, Language and Phonics

In phonics we will be reading CVCC words with short vowels (went/lump/fact). We will learn the new tricky words: said, so, have, like.

### Maths

This week we will continue to explore the composition of numbers to 10 with a particular focus on when two equal parts combine to make a whole. We will begin to link this learning to the concept of doubling.

**15.04.2024**

## RECEPTION LEARNING

Parent/Child Talking  
Point: How do you  
know it is spring?

### Physical Development

This fortnight we will be learning to negotiate space and obstacles safely, with consideration for ourselves and others.

### Understanding the World

This week we will be learning all about spring and using our senses as we go on a spring walk.

We will use our observational skills to observe different seeds, talk about what seeds need to grow and plant our own seed. Over the next few weeks, we will use our observational skills to watch closely for changes to our seed.
