

### Personal Social Emotional Development

This week in our Jigsaw Jeanie lesson, we will be talking about how we can make friends and stop ourselves feeling lonely.

### Expressive Arts & Design

This week we will be using our creative and problem-solving skills to make models or pictures. We will be using a variety of different materials and media.

### Literacy

In reading this week we will continue to read and enjoy the story, *The Tiny Seed* by Eric Carle. We will retell, act out and write our own seed stories.

### Communication, Language and Phonics

In phonics we will be learning to read and write CVCC words e.g. *bench*, *shelf* and CCVC words e.g. *plug*, *drink*. We will learn the following new tricky words: **some, come, love, do.**

**22.4.2024**

## RECEPTION LEARNING

### Physical Development

This fortnight we will be learning to negotiate space and obstacles safely, with consideration for ourselves and others.

### Maths

This week we will be using practical contexts to sort objects according to different criteria e.g. colour, size, or function. We will use mathematical vocabulary to describe what we see.

Using our previous experience of doubles, we will begin to explore odd and even numbers practically, identifying that even numbers can be composed as doubles.

### Understanding the World

This week we will be talking about change and growth. We will talk about what seeds need to grow and think about where we should keep the seeds we have planted. Over the next few weeks, we will use our observational skills to watch closely for changes to our seeds.

We will look at pictures of ourselves, order them on a timeline and talk about the changes we can see.

Parent/Child Talking  
Point: ***How have  
you changed?***
