

Personal Social Emotional Development

We will be talking about our homes and why they are special to us.

This week we will also be talking about how we can keep

ourselves healthy and safe.

Expressive Arts & Design

In our independent learning we will be using our creative and reflective skills to improve upon models or artwork.

Communication, Language and Phonics

We will continue to develop our listening skills and learn to blend words with s at the end (plural and verb forms). We will also be reading words that end in 's' that make the 'z' sound e.g. bags
The new tricky words for the week are: **we, me, be**

Literacy

During our whole class reading we will be reading about 'All about healthy teeth' We will focus on developing our comprehension and inference skills. You can support this learning at by home by asking your child questions about their library book or inferring how a character might feel in the text. Please remember to return your library books on Mondays.

How can we keep ourselves healthy?

RECEPTION

LEARNING

Physical Development

This week we will be talking about how we feel after exercising.

Maths

This week we will be exploring composition of number by focusing on the preliminary skills; the concept of 'wholes' and 'parts'.

We will be using toys and thinking about our own bodies to begin to understand that whole things are often made up of smaller parts.

E.g. my arm is a part of my whole body. The car wheel is a part of the whole car.

Understanding of the World

This week we will be learning about different ways that we can be healthy. We will compare and sort nutritious and less nutritious foods. We will also discuss other ways to be healthy e.g. drinking lots of water, getting enough sleep and exercising.
