16th December 2024

Dear Parents and Carers,

We have received reports and photographs today of inconsiderate parking and instances of heated verbal interactions outside the school gates. This not only compromises safety but also sends the wrong message to our children, who look to us to set a positive example.

We understand that parking near the school can be difficult, particularly during drop-off and pick-up times. However, we kindly ask for your cooperation and consideration when parking. Please avoid parking on yellow lines, at road corners, across driveways or on grass verges, as this makes it difficult for pedestrians, including children, to pass safely. Inconsiderate parking also creates difficulties for our neighbours and other motorists and may result in unsafe manoeuvres, putting pedestrians and drivers at risk.

We all share a responsibility to model respectful and safe behaviour for our children. By working together, we can ensure the safety of everyone and create a positive, calm environment during these busy times.

Your understanding, support, and patience are greatly appreciated as we work to keep our school community safe and respectful for all.

Thank you for your cooperation.

S. Mullarkey
